Summary

Results-driven Frontend Developer with **2 years of experience** in creating intuitive user interfaces that enhance engagement and deliver exceptional user experiences. Currently contributing to **Intangles**, a leader in Digital Twin Technology, focusing on vehicle health monitoring and operational efficiency. Key achievements include:

- Successfully executing a UI overhaul of legacy features to align with new design requirements.
- Developing globally accessible features while ensuring backward compatibility for a seamless user experience.

Previously led the development of e-commerce platforms for industry leaders such as **Equipp , V-Guard Industries, and Tiber Taber**, driving market expansion and revenue growth through human-centered design and effective coding practices. Also contributed to enhancing customer satisfaction for brands like Jockey India with tailored digital solutions.

Skills

Redux, Redux toolkit, Reactjs, JavaScript, MaterialUI, TypeScript, Tailwind, Git, RestfulAPIs, GraphQL API, React Router, Storybook

Experience

Intangles Lab Pvt ltd.

February 2024 -Present

Frontend Developer

Pune

Intangles is leveraging Digital Twin Technology to enhance the operational efficiency of vehicles worldwide, offering a top-tier Vehicle Health Monitoring Platform.

As a Frontend Developer, my responsibilities included

- ➔ Complete UI overhaul of various application pages for global user accessibility and internal organizational use.
- ➔ This revamp aimed to make the platform more user-friendly and optimized.
- ➔ Some features were entirely reengineered, transitioning from Angular to React, while ensuring backward compatibility.

Seventh Triangle Consulting

October-2022 --February -2024

Frontend Engineer

Noida

My role as a Frontend Engineer involves creating E-commerce platforms for renowned clients like **V-Guard, Equipp .in, Nish Hair, and KNYA med**. These platforms open up new horizons for businesses, enabling them to expand their market reach and connect with a broader, global audience.

Skills: **React, JavaScript, Liquidjs, Shopify, HTML, CSS, Bootstrap etc.**
